# OWENS CORNING ROOFING PRODUCTS

ROOFING

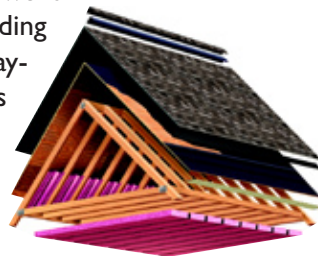

Whoever you are, whatever your style, Owens Corning has a shingle line that is right for your new dream house.

Whether you prefer the distinctive, natural slate look of our Berkshire® Collection shingles or the dimensional look of our Oakridge® Series shingles, you can be sure that every Owens Corning shingle delivers beauty and performance.

It takes more than just shingles to create a high-performance roof. It requires a system of products working together. The Owens Corning roofing system, including WeatherLock® waterproofing underlayment in the valleys and at the eaves and VentSure® vents, is a line-up of key products that can help provide maximum durability for your roof. And the most protection for your home.
