DOGS

All dogs must be on a leash whenever they are off your property.

Please be mindful of your dog's tendency to bark and be respectful toward neighbors. It's your responsibility to manage your dog(s).

Pick up after your dogs anywhere other than your own property.

TRASH / RECYCLING

Please be mindful of your neighbors and watch your trash and recycle bins. Keep the level of trash or recycled items below the rim to help keep the trash inside the containers.

Our trash day is Friday unless otherwise specified. Bulk trash day is the fourth Friday of each month.

Any questions, please call Inland Service Corp. at 878-1384.

LAWN CLIPPINGS & DEBRIS

Lawn clippings and other yard waste are the responsibility of the property owner to remove without blowing, sweeping or otherwise disposing of on streets, common areas or any other areas within the development.

Lawn bags are available at Inland Service Corp. at 3507 N. Arkansas Street in Rogers.

RESALE HOMES ON www.SHADOWVALLEYINFO.COM

All Shadow Valley Resale Homes included in the Multiple Listing Service (MLS) are now included on www.shadowvalleyinfo.com under the heading of Resale Homes without any action required by the Homeowner or Realtor.

All Homeowners listing their homes for sale should encourage Realtors to use the Welcome Center and other SVCC facilities just as they do for new homes.

A summary of Resale Home Sales since January 1, 2007 is updated regularly and made available to Appraisers and Realtors via the Realtor section of www.shadowvalleyinfo.com. This information can be obtained by Homeowners from the Welcome Center in hard copy form or via email.

SV COVENANTS, CONDITIONS & RESTRICTIONS (CCRs)

The CCRs governing the community have been amended to correct a scrivener's error and declare clarifications, revisions and additions. The primary change adds conditions and restrictions governing the operation of vehicles in the community. Specific information will be provided prior to implementation which is planned for the next couple of months. Copies of the CCR's are available in the Welcome Center.

COMMUNITY SIGN POLICY

The Covenants, Conditions & Restrictions (CCRs) for the Community limit signage to "one professionally made sign per Lot of not more than six (6) square feet advertising a Dwelling for sale or lease". Authorized signs shall be placed in the front yard. All other signs require approval.

THINK ABOUT SOMEONE BESIDES YOURSELF AND OBSERVE THE TRAFFIC RULES:

"18 MPH" / "STOP" / "GOLF CART X-ING"

This is a community filled with families (especially kids) wanting to enjoy the outdoors. Be considerate of others!

Hold your friends and neighbors and their guests accountable!

PERSONAL CARTS & VEHICLES

Take responsibility for operating personal carts and vehicles safely.

VEHICLE STICKERS

Vehicle stickers will ONLY be issued during normal business hours. Monday through Friday from 8:00 AM to 5:00 PM.

GATEHOUSE 203-0135

Please proceed slowly and be prepared to stop when entering or exiting the community for the safety of the staff and to allow them to read your vehicle sticker.

We have had several near accidents involving Gatehouse personnel, and gates broken recently due to excessive speed, failure to stop, "piggy-backing" behind other cars, etc.

YOUR COOPERATION IS EXPECTED!

CAC REMINDERS

- You MUST REMAIN on SVCC property (not in the development or elsewhere) to leave your child in the CAC.
- Absolutely NO outside snacks/food will be allowed inside the CAC. Many children have allergies to certain foods (most commonly peanuts). In an effort to minimize the problem, our snacks are limited to Cheerios and Goldfish and we do not allow any food items to be brought into the CAC.
- Sign In/Out: Please remember to sign in your child's FIRST & LAST NAME as well as your SVCC location (fitness, tennis, golf, restaurant, etc.).
- If you DO NOT sign your child/children in, there will be an additional \$5 charge added to your bill (daily and monthly included).
- Non-Member fees are \$7.00 per child for the first two hours and \$3.00 per child for each additional hour.

Please remember to pick up the children prior to closing time. It's not the responsibility of the Overlook staff to go get the children or the CAC staff to go get the parent / guardian.

- Feeding Policies: CAC personnel will only bottle/sippy cup feed infants and toddlers. No solid baby foods.

CHILDREN'S ACTIVITY CENTER (CAC)

The Children's Activity Center (CAC) is a great asset to SVCC which allows so many kids to enjoy the great atmosphere and numerous activities while the parents take advantage of what they want to do throughout the rest of the club.

In order to make the CAC experience the best possible for all involved, your help and cooperation is expected.

- Please allow enough time to sign all kids in and inform us of anything we should be aware of relative to your child.
- Please DO NOT bring in any sick children (if they have a fever or otherwise ill, you will be contacted to pick them up).
- Make sure children in diapers are "changed" prior to entering the CAC and provide additional diapers in their bag.
- Leave "personal" toys or other such items at home.

Please keep in mind the CAC is a service provided for our members. Those who choose not to follow the rules WON'T be allowed to use the service.

CHEF AARON'S CORNER

Things are getting kicked into high gear in the Overlook. We are looking forward to the summer and getting ready for another menu change. The new menu will be a fairly substantial change from what you are used to seeing. Of course we will still offer the staples that you have come to love, but in the interest of keeping things fresh and new there will be some exciting additions as well. If your absolute favorite item has been removed, feel free to ask your server if it's available. If so, we'll be happy to make it for you.

If you haven't been in for a while you should come check us out. We're improving various aspects of the restaurant from adding an new pass through workstation, oven and new keg coolers. The coolers are designed to allow us to improve the variety and quantity of beers on tap and free up some space in the bar for a greater selection of beverages. There are more changes on the way that we feel will enhance your experience as well as place us at the top of the "places to eat" list.

As always, we are looking to improve the experience at the Overlook every day and welcome your input. Feel free to stop me in the restaurant or send me an email with your ideas.

INFO FROM MOE

I hope everyone enjoyed Spring Break and are ready for what promises to be a fun and exciting Spring / Summer.

We had a fantastic turnout for our most recent Saturday Late Night and I hope the Party on the Patio will be just as successful. Most of our music will be on Fridays with a few Saturdays sprinkled in for good measure. Weather permitting, all music will be played on the patio.

As always, reservations are EXTREMELY helpful to us. We are better able to prepare and serve you and your party.

Chef and I are preparing for the upcoming seasons on the Patio and at the Swim Center. Please be patient with us as we navigate our way through the busy season. If you have any ideas or suggestions please let us know!

Just a reminder that all children 14 and under must be accompanied by an adult when in the Overlook. Also, please be mindful of your children when at the Clubhouse. If they are not in the CAC, they should remain seated under your supervision.

POLICIES, RULES & REGULATIONS

- Although reservations are not required for normal dining, we highly encourage them. It allows us to be prepared for you and offer the best service possible; however, if you are more than 20 minutes late, your reservation will be forfeited so that we may accommodate other patrons.
- Reservation cancellations for any of our special meals or events that require reservations require a 72 hour or otherwise stated notice. Otherwise, you'll be charged 50% of the party's reservation.
- Be mindful of your child's behavior. The Overlook is a casual environment, but it's also a fine dining experience for many.
- Children need to be at the table supervised by an adult at all times and are not permitted to be roaming around the Clubhouse (inside or out).
- Please allow us to seat you, inside or outside.

FITNESS FACTS: SNORING!

In the most extreme cases, snoring can reach 90 decibels which rivals that of a passing train! There are various reasons for snoring:

- Obstructed nasal airways
- Poor muscle tone in the throat and tongue
- Bulky throat tissue
- Long soft palate and uvula

Snoring can interrupt breathing causing a drop in blood oxygen levels, which in turn causes the heart to pump harder and blood pressure to rise.

One further complication can be a rise in production of adrenalin, which causes a rise in blood sugar. Sustained elevated blood sugar may eventually lead to diabetes.

If you or someone you know is a heavy snorer, please contact a physician.

TEE TO GREEN FROM THE COURSE WHISPERER

WOW is all I can say about the weather so far in 2012. Here it is the first of April and the Zoysia fairways are all green, in fact they have been mowed already and the bermudagrass in the roughs is 75% - 90% green. So far I am very pleased with the condition of all the turfgrass areas on the golf course. The greens have responded well to the aeration that we did on March 12th & 13th. The new greens look fantastic and will be open for play by the time you read this. The one thing that we are still trying to get caught up on is the pre-emergent spraying of the fairways and roughs. I hope that we will have all that spraying completed by the end of the first week of April.

In March we completed the renovation of the 3 bunkers by #7 green. All the new bunkers continue to perform well during a rain event.

We plan on having approximately 60 tree stumps ground down and covered with top soil and sod very soon. We will be concentrating on stumps that are in play or are a hindrance to our mowers.

Around the middle of March, we hired an irrigation trouble shooter to help us evaluate and locate problems with the power and communication lines associated with our automatic irrigation system and he worked with us for two days tracing these lines on the front nine and holes 10 and 18. He identified and we've repaired some issues with wire splices and connections underground and in the control boxes that have already helped with more consistent run times. He left tracking equipment with our local irrigation supplier to help us complete the job on the remaining back nine holes.

The one item that he identified as a must fix is how the "water tree" was originally set up on our irrigation computer. This "water tree" identifies the size of all of the pipes around the golf course and how many sprinkler heads are associated with each pipe and how many gallons per minute each sprinkler should put out, etc. It was his opinion that too many sprinklers are running at one time causing a voltage drawdown at the controllers on the golf course. I'm in the process of gathering all the information that I need to build the correct "water tree" so that we can operate the irrigation system at its full potential without damaging any components in the irrigation boxes on the golf course.

During the month of April we will work on the following:

- Mowing greens 7 days a week
- Starting to mow all areas on the golf course – by the end of the month we will have started our weekly routine of mowing fairways 3x's per week, roughs on an "as needed basis", tees and approaches 2x's per week and collars 3x's per week.
- Installation of a communication wire across the driving range to connect the short game area to our computerized irrigation system.
- Fertilization of all the warm season turfgrass areas on the golf course
- Starting our foliar fertilizer program on the greens
- Starting our fungicide program on the greens

I look forward to seeing all of you this Spring. I hope that you will find the condition of the course to your liking.

If you have any questions or comments about what is happening on the golf course, please stop me when you see me on the course or contact me.

COMMUNITY CART REMINDERS

MAINTENANCE-It's very important that your leased cart is maintained well. Therefore, if you are leasing a cart we REQUIRE that you bring your cart in for monthly service. We will check the battery water level, check the tire air pressure and clean the cart. Your cart should be ready for pick up within 24 hours.

DON'T BREAK YOUR LEASE AND LOSE YOUR CART!!!

You are in violation of your lease if you are:

- Strapping kids in the bagwell.
- Allowing anyone not in your household to drive the cart.
- Stopping at a house during a round to get food or beverages.
- Letting kids without a driver's license (not a permit) drive the cart.
- Driving anywhere on the course without first checking in at the Golf Shop PRIOR to playing (and yes that includes at night).

If you have any questions about Community Carts, please contact the Golf Shop.

My Farewell Letter:

I wanted to let everyone know that I have accepted a coaching position at The First Tee of Northwest Arkansas. My last day will be April 3rd. I have really enjoyed being a part of the Shadow Valley team and getting to know the Golf Members. Thanks so much for making my experience here one to remember.

If anyone wants to come visit, I'll be at their new location in Lowell!

*Thanks again for a great three years.
