**Children's Activity Center**

The Children's Activity Center (CAC) is a great asset for SVCC which allows your kids to enjoy a great atmosphere and numerous activities while you take advantage of what you want to do throughout the rest of the Club.

In order to make the CAC experience the best possible for all involved, your help and cooperation is expected.

**CAC Reminders**

- Please allow enough time to sign in all kids and inform us of any outstanding issues we should be aware of relative to your child.
- Please DO NOT bring in any sick children (if they have a fever or otherwise are ill, you will be contacted to pick them up).
- Make sure all kids in diapers are “changed” prior to entering and provide additional diapers in their bag.
- Leave “personal” toys or other such items at home.
- You MUST REMAIN on SVCC property (not in the development or elsewhere) to leave your child in the CAC.
- Absolutely NO outside snacks/food will be allowed inside the CAC. Many children have allergies to certain foods (most commonly peanuts). In an effort to minimize the problem, our snacks are limited to Cheerios and Goldfish and we do not allow any food items to be brought into the CAC.
- Sign In/Out: Please remember to sign in your child’s FIRST & LAST NAME as well as your SVCC location (fitness, tennis, golf, restaurant, etc.).
- If you DO NOT sign your child/children in, there will be an additional $5 charge added to your bill (daily and monthly included).
- Non-Member fees are $7.00 per child for the first two hours and $3.00 per child for each additional hour.
- Feeding Policies: CAC personnel will only bottle/sippy cup feed infants and toddlers. No solid baby foods.
- Please keep in mind the CAC is a service provided for our members. Those who choose not to follow the rules WON’T be allowed to use the service.

**CHEF AARON’S NOTES**

I would like to thank everyone for another great year in The Overlook and our first year in The Lookout Lounge. We’ve had a lot of fun exploring different themes this year and look forward to continuing to expand what we are able to offer so that we can provide an outstanding dining experience. We continue to strive to provide the best service and atmosphere we can so that when you think of where you want to go we will always be at the top of the list.

In the upcoming months I will be streamlining the menus in both The Overlook and the Lookout Lounge. My goal is to be able to provide a more efficient food and beverage menu that will focus on what you are wanting and allow us to free up space to experiment with some of the latest trends in the food and beverage industry. Some of the initial items I am looking forward to adding include bringing in some new local brews in both locations as well as some specialty wines in the Lookout Lounge that I believe you will enjoy.

Along with these changes I would like to welcome Karen Seyfried as our newest head server. She brings a ton of experience with some great ideas. I know she will be a great asset to the management team. If you have any suggestions for items you would like us to look at don’t hesitate to let Karen or myself know.

Additionally, I’m looking forward to partnering with some of the local breweries and local wine experts to expand our palates with some Lookout Lounge Socials that will include some of the specialty beverages and a variety of appetizers that will accentuate the occasion. My hope is that these events will not only be an introduction to new products but also be a way for all of our new members to meet other members in a fun, casual setting.

To stay up to date, please stop by or contact the Welcome Center and add your name to the email distribution list that is sent every morning containing the daily specials and upcoming events.

As always if you have any questions or concerns please feel free to contact me.

**Chef’s Tables / Events / Meetings / Parties**

The opportunities are endless...Baby Showers, Bunco Night, Graduation Parties, Rehearsal Dinners, Business Meetings and Meals. You name it, we’ll work with you to plan it.

Our various rooms in the Clubhouse have spaces to accommodate groups from 10-180. We look forward to working with you to customize your menu and event décor to meet your expectations at a fraction of the price of other event venues.

---

**Policies, Rules & Regulations**

- Although reservations are not required for normal dining, we highly encourage them. It allows us to be prepared for you and offer the best service possible; however, if you are more than 15 minutes late, your reservation will be forfeited so that we may accommodate other patrons.
- Reservation cancellations for any of our special meals or events that require reservations require a 72 hour or otherwise stated notice. Otherwise, you’ll be charged 50% of the party’s reservation.
- Be mindful of your child’s behavior. The Overlook is a casual environment, but it’s also a fine dining experience for many.
- Children need to be at a table and supervised by an adult at all times and are not permitted to be roaming around the Clubhouse (inside or out).
- Please allow us to seat you, inside or outside.
- Must be at least 21 to sit at the bar or ENTER the Lookout Lounge.

**SVCC Club Championship By Foster Roofing**

We are very excited to announce that the Tennis Club Championship will be January 12-15, 2017. This will be an indoor tournament only so all draws (Men’s and Women’s Doubles 2.0-Open and Mixed Doubles 6.0-9.0) will be limited draws. New for 2017 in the Men’s Open, Mixed 9.0 and Women’s 4.5 will be the ability to invite a non-member guest to play. These levels of play have very few member players rated this high on the NTRP rating scale leaving such members unable to participate.

As always with paid entry to the tournament you will receive a tournament t-shirt and access for you and a guest to the player party dinner Friday night with open bar, breakfast, lunch and dinner Saturday, breakfast and lunch Sunday and wait that’s not all...We will have beer, wine and sparkling wine ALL WEEKEND LONG!!

Entry forms with all information and cost for events are available now so stop by the Tennis Shop and sign you and your partner up ASAP to secure your spot in the most anticipated event of the year.

Again we’d like to thank our Premier sponsor Foster Roofing (J.D. and Jennifer Joyce) for sponsoring our 9th Club Championship. We added a product sponsor last year The Wine Group - Cupcake Vineyards which added a new dynamic with wine and sparkling wine for mimosas. A huge thanks to everyone that helps make this tournament better each year!

Exciting New Technology From Wilson

The new Countervail technology has been put into Wilson's two most popular lines of racquets...Blade and Burn series. What is Countervail you ask? It maximizes energy, reduces fatigue & increases shot control. Countervail is the all-new patented material integrated exclusively into Wilson frames that directs the ball's energy within the frame instead of the body. Jordan and I have both hit with these amazing racquets and what we have felt in comparison to our old Blades is the entire string bed feels like the sweet spot, even the outside close to the frame!!! These are the most comfortable, soft feeling racquets I have ever played with. We have the Blade demos available to hit with now and the Burns will be available mid-January. Come by the shop today and see what everyone is raving about!
Happy New year to everyone! I hope everyone enjoyed the holidays and are ready for the New Year to begin. I am very excited by the thought of being at Shadow Valley for a full growing season. As the new year begins, we are currently in the middle of a lot of winter clean-up and projects. The cold weather has slowed some of our projects, but has allowed us to do some much needed work around the shop area. I am aware that most of you aren’t concerned with shop area clean-up, but with this time we have been able to construct a new nursery green as well as organize the shop area for better production next season. The nursery green should be ready for use in late April but we are hoping we do not need it.

The construction of the Short Game Area (SGA) Chipping Green & Practice Bunker is coming along very nicely. We anticipate having the construction done at the end of this month. The rough grades are finished and we will be moving forward to drainage and irrigation shortly. Hopefully, we get some good weather at the end of the month that will allow us to seed the green and get things rolling far enough that we can open the green sometime in late April. The Chipping Green is about 2,000 sf and the Practice Bunker should easily allow multiple people to work on their game at the same time. We are very excited about the look of this area and hope you enjoy the new pieces that will be added to this area.

We have also continued our tree trimming and brush cutting campaign. Clearing of these areas will give us better air flow as well as better sunlight coming into the spring growing season. These two things will be crucial throughout the summer months as the temperatures start to rise and air movement becomes more important. We have also been patrolling for moles as they seem to be popping up around the greens, tees and bunkers. Fortunately, some of the guys on the crew are very good at catching moles and have been able to get five so far.

In closing, I would like to again ask that players please try to avoid walking through any weak and/or newly seeded areas. This grass is very sensitive and it will have a better opportunity of surviving with the least amount of traffic being put on it as possible. Please remember to repair divots and fix ball marks.

Please feel free to stop me on the course or contact me with any questions or just for an introduction. Happy Holidays!!!!
**Practice Facility Carts**

In order to better manage the battery life of our golf carts, we will be staging carts along the stone wall outside the Golf Shop to be used for the practice areas only. Please return the carts to the designated area when finished practicing. It will also allow us to improve the appearance and condition of the carts going out on the golf course.

On behalf of myself and my entire golf staff, we would like to thank everyone for all the wonderful treats, baked goodies, and gifts that we received during the holiday season. We have a lot of new player development programs coming this year so keep an eye on upcoming communications. I would like to thank everyone for their support of the Golf Shop this past year. My family and I are grateful for your support of our small business.

Please call the Golf Shop at 479-203-0000 for further details on any of our events. Our priority is making golf for you and your family as enjoyable as it can be here at Shadow Valley. We welcome your suggestions and are here to help in any way that we can. Complete golf schedules for all Men’s and Ladies events are available at the Club and on the Club’s website and through Facebook posts.

Shadow Valley Juniors had a very successful season last year and we look forward to building on our momentum. PGA Junior League Golf is a fun, social and inclusive opportunity for boys and girls, ages 6 to 13, to enjoy the game of golf. Like other recreational youth sports, participants wear numbered jerseys and play on teams with friends. Players compete under the direction of a PGA & LPGA Professional Captains in a popular two-person scramble format which reinforces the team concept and creates a nurturing environment for learning the game.

Registration starts online in February at “http://www.pgaJLg.com/register” and the SVCC Password is “svcc” (all lowercase).

We are having our annual Jack Frost Winter tournament beginning January 1st. The event will run through the end of March. In the past, the Jack Frost was an MGA event. It’s now a club event, open to all golf members. The format is a modified stableford scoring system:

- Net Eagle: 5 points
- Net Birdie: 3 points
- Net Par: 1 point
- Net Bogey: -1 point
- Net Double Bogey: -3 points
- Net Triple Bogey or higher: -5 points

The entry fee is $25 for 10 rounds (5 additional rounds for $15). Golfers must notify the Golf Shop before the round if they want their score to qualify. The top qualifier (highest score) will win 20% of the total pot and the remaining 80% will be awarded to the top finishers in the playoff. The playoff will consist of 18 holes with the top 8 qualifiers.

It’s a great way to keep your game sharp during the winter!

**Frost Delays**

In our area of the country, golfers occasionally face frost delays in the winter, thus pushing back starting tee times. When frost is present golf course superintendents delay play until the frost has melted. This is done to prevent damage that affects the quality of the playing surface.

Frost is basically frozen dew that has crystallized on the grass, making it hard and brittle. A grass blade is actually 90 percent water; therefore it also freezes. Because of the short mowing height (sometimes as low as 1/8 inch) and fragile nature of the turf, putting greens are most affected by frost. Walking on frost-covered greens causes the plant to break and cell walls to rupture, thereby losing its ability to function normally. When the membrane is broken, much like an egg, it cannot be put back together.

Golfers who ignore frost delays will not see immediate damage. The proof generally comes 48-72 hours later as the plant leaves turn brown and die. The result is a thinning of the putting surface and a weakening of the plant. The greens in turn become more susceptible to disease and weeds. Frost also creates a delay on a golf facility’s staff as all course preparations are put to a halt until thawing occurs. Golf carts can cause considerable damage, therefore personnel cannot maneuver around the course to mow, change cup positions, collect range balls, etc.

The most important thing is for you to understand is the hows and whys of the delay and in turn gaining a greater appreciation for the golf course. It would also be wise to give the golf shop a phone call before heading out to play to see if tee times have been pushed back due to frost.
